

# *Help Change the Direction of Our Youth...*

# **GO WEST!!! USA**

Summer is an exciting time for Go West!!! USA. During this time we have the chance to provide a once in a lifetime opportunity to underprivileged teens in our community. Teens participate in a three-week cross-country expedition that promotes high self-esteem, responsibility and leadership skills. The teens volunteer at select National Parks throughout the country through our Volunteer America Program. While they are not working at one of the parks, they are busy with cooking, vehicle maintenance and trip planning. To go on these expeditions, they need your help! Whether it's \$10 or \$100, every dollar helps make this opportunity a reality for the young people of *our* community.

*Impacting the future,  
one life at a time.*
